Message from Recipient:

"Thank you so much for selecting me to receive the Arctic Physical Therapy Scholarship! I am glad you enjoyed reading my entry and am pleased to inform you that I will be attending graduate school for physical therapy at Wingate University in North Carolina, starting in January. This scholarship topic was very important to me and it means a great deal to me to receive these funds to help with my education as this is a second chance for me to start a wonderful career in helping people. I have chosen to return to school to start a new career and have worked and saved in order to attend school. I will be putting the funds towards tuition to help eliminate some of the loans I will be taking out."
