

2019 Arctic Physical Therapy Scholarship Winner

Addison Williams is from Brookline, Massachusetts and graduated from Milton Academy in Milton, MA. He is attending Georgetown University and studying International Business Diplomacy.

Message from Recipient:

"Thank you to the entire Arctic Physical Therapy team for making this scholarship possible! All funds will minimize the amount of loans I need to take out and mitigate the debt I will take on as I work through my International Business Diplomacy degree at Georgetown University. I'm hopeful that I can make the world a better place, and it's organizations like Arctic Physical Therapy that are helping me to do so!"
